Subject: Fw: Pressure Treated Wood

Hey Jed

Find attached an excell spread sheet with the micronized wood products that we have been able to find.
I hope you can help us get these wood samples.

Thanks to everyone on the invitation list for agreeing to attend this meeting tomorrow (Nov 9th) at 2pm EST.

Given the context of this meeting, we are attempting to have a video conference, so far I have video links for Cincinnati, Duluth, and Ada.

Commercial/financial information may be entitled to confidential treatment

Regardless of your video capability, the call-in number is [REDACTED] and the code is [REDACTED]

Attached is the memo we sent to ORD back in February outlining our research needs for nanocopper.

[attachment "Guidance to ORD on NanoCopper Needs_2-16-11.docx" deleted by Thabet Tolaymat/CI/USEPA/US]

Again the purpose of the meeting is to share OPP concerns regarding working with Osmose products rather than on specific research directions or deliverables.

The Agenda for the meeting follows:

Introductions (5 min)

AD Background - Nanocopper research needs (10 min)

ORD Presentation on what they have done and plan to do (20 min)

OPP Concerns regarding working with Osmose (20 min)

Closing (5 min)

Best,
Jed
